

Support Local Dancers! Disney Dance Experience

Dancers from The Dance Project NW received a unique & special opportunity to come dance & march in Disneyland!

For each dancer, it will cost \$1,350. We are doing everything we can to help support, but we need to act fast, as the deadline to register is quickly approaching.

To help underwrite costs, we are approaching local businesses to invest with the purchase of a logo or name on our event tee shirt!

All funds raised will directly support all dancers attending the Disney Dance Experience in November 2023!

SUPPORT LEVELS BEGIN AT \$100!

To secure your space on the back of the tee-shirt, email:
